**Unity Oxford are delighted to invite you to a very special track event especially for Italian cars on Friday 18th October 2019 at Silverstone race track,**

We have exclusivity of the International circuit for the event, including the use of three pit garages and we have secured a 118db noise limit, meaning some very special cars can attend and stretch their legs.

For those new to track events or if you fancy brushing up on your driving skills, a dedicated pro driver will also be available.

**Italian Cars at Silverstone will be great for spectators too, meaning you can enjoy the atmosphere and some sensational cars in action.**

The cost of the event is £285 per car with up to 1 driver & 1 passenger. This includes driver safety briefing and track usage. At a small additional cost, you have the option of helmet hire and our pro driver who is available on a first come first served basis.
